## CAREER STATEMENT

---

With my ten years of experience in global news journalism, I'm looking to leverage my skills in storytelling, editing, communications, leadership, and content production towards achieving measurable impact at a mission-oriented organization.

## EXPERIENCE

---

### HOMEPAGE EDITOR AND REPORTER | THE NATIONAL

*Dec 2020–Feb 2025*

- > Configured formatting of six online editions for millions of Middle East, Gulf, and international readers
- > Coordinated daily news workflow for the US bureau and relevant news output with colleagues globally
- > Handled time-sensitive breaking news and reported on business, public health, legal cases, and US foreign policy
- > Managed global website operations, editing, and article publishing on evening and weekend shifts

### NEWS CURATOR AND REPORTER | QUARTZ

*Dec 2018–May 2020*

- > Updated global homepages and the Quartz app with the latest news around the global economy
- > Produced the flagship Daily Brief sent to half a million subscribers with a high 40% open rate
- > Reported features on migration, conflict, humanitarian issues, and accessibility garnering thousands of shares
- > Engaged the Quartz community through direct email outreach and push notifications reaching a 5-10% open rate

### SOCIAL MEDIA MANAGER | DAILY BLAST LIVE at TEGNA

*June 2017–Dec 2018*

- > Helped launch the show of more than four hours of live TV to 30+ US markets and streaming platforms
- > Grew Twitter and Periscope accounts to a national brand presence by adding millions of viewers

### NEWS PRODUCER AND REPORTER | USA TODAY COLLEGE at USA TODAY

*Dec 2016–June 2017*

- > Conducted digital production, social media, and website management of the College vertical
- > Garnered hundreds of thousands of readers through articles on how US events affected young Americans

### FREELANCE JOURNALIST | SELF-EMPLOYED

- > Wrote on business, tech, accessibility, politics, and conflict at the Atlantic, Daily Dot, Mic, and other publications
- > Consulted humanitarian organizations, non-profit groups, and businesses on communications, partnerships, and social media
